

JUAN CARLOS CACERES QUINTETO

Caceres takes us to a journey back in time to discover the roots of tango.

With intense pleasure, we will encounter the "Brasilian Murga", "Mllonga Argentina", "African Candombe" and "Habanera Cubana", the Black Soul of tango, often forgotten and repressed in Argentina. Caceres puts us under the spell of his hoarse voice to sing and tell of nostalgia and exile, of the wounds of living and of the life in Buenos Aires.
